O'KEEFE PHYSICAL EDUCATION CENTER

The Salem State College intercollegiate athletic program operates out of the Richard B. O'Keefe Complex, regarded as one of the finest facilities among the Massachusetts State Colleges. The multi-purpose facility features the 2,800 seat Richard H. Rockett Ice Arena, a 1,600 seat gymnasium with an all-purpose floor, an eight lane swimming pool, four tennis courts, racquetball and squash courts, a baseball/softball indoor hitting cage, a fully equipped fitness center, a dance studio and gymnastics apparatus room. The facility also houses the athletic director's office, the athletic training/sports medicine office, the sports information office, the athletic equipment storage room, four classrooms and the faculty offices for the College's Sports, Fitness & Leisure Studies major. The facility is open year round to Salem State students, faculty/staff, administrators, employees and alumni. Family and individual memberships are offered to the general public during the summer months. Normal operating hours are 8:30 a.m. till 9:30 p.m. Monday through Friday and 12:00 noon till 9:00 p.m. on weekends.

PRESCHOOL PROGRAM

The Salem State College Preschool Program opened in the Fall of 1970. The program is licensed and professionally staffed, serving children between the ages of 2 years, 9 months to 5 years old. The Preschool is also accredited by the National Academy of Early Childhood Programs (NAEYC).

The size of the program is limited to 15 children at one time, and the average total enrollment ranges from 30-35. Enrolling small numbers of children reflects the center's appreciation of individual differences and the careful planning of appropriate activities to meet the physical, social and intellectual needs of each child. Enrollment is primarily for children whose parents are students at the college, and with space permitting, faculty, staff, and community members are encouraged to register.

The center is a self-contained facility located on the upper South Campus and is open from 8:00 a.m. to 5:00 p.m. Monday through Friday (excluding holidays and semester breaks). The setting on a college campus offers many valuable resources for field trips, consultation services, and academic support from various departments.

Fall Registration is held in April and the Spring Term Registration is held in December. A child registration fee of \$50.00 is required. The standard fee is \$3.50 per hour; the fee for full-time undergraduate students is \$3.00 per hour. All fees are subject to change. Space is limited so early registration is essential. A 6-week Summer Nature program is also available with registration in May.

The Preschool Program also provides many opportunities for field work, student teaching, student employment and work-study. The program can provide students with a valid experience in a child care setting and help students in their pursuit of educational and career goals. Call the supervisor to discuss ideas. A Resource Library is available for student use with a unique collection of texts, brochures and curriculum guides.

For further information, contact the Coordinator at 978-542-6408 or the Preschool at 978-542-6409.
