<b>% FREE ELECTIVES (3 credit minimum)</b>			
_____	_____	_____	3 _____

\* These are **required** support courses which may also be used to satisfy the indicated Distribution requirements. A student may choose to fulfill Distribution requirements with courses other than the ones listed, but these listed courses must still be taken.

Note: If a course is used to satisfy two or more requirements, (for example, a support course and a distribution elective), the credits are counted in only one place. Using a course to satisfy more than one requirement does **not** reduce the total credits required for graduation.

% Computer Literacy requirement, if satisfied by a course rather than the Computer Literacy examination.

^ Anthropology may also be met by SOC 305, SOC 306, or SOC 335.

+ Quarter course.

Biology: Credits for a minor are already included in the required program but application must be made.

LEVEL I TO BE COMPLETED IN THE FIRST 30 CREDITS     LEVEL II TO BE COMPLETED IN THE FIRST 53 CREDITS     LEVEL III TO BE COMPLETED BEFORE GRADUATION

Exceptions in the timing of courses will be made for transfer students.

**Total minimum credits for graduation: 125**
